D.O. No. 1355

DEPARTMENT OF MINES AND GEOLOGY,
MYSORE STATE.

Bangalore, 2nd January 1920.

Dear Sir,

Now that the field season has begun, the need for additional peons and lascars has been keenly felt and I shall be greatly obliged, therefore, if you will kindly obtain early sanction of Government to the proposals submitted in Dr. W.F.Smeeth's letter No.3036, dated 15th April 1919, for the revision of the clerical and menial staff of this Department. I also beg permission to entertain, at once, the additional number of peons & lascars provisionally, pending the final orders of Government on the question of the revision of the staff.

The favour of very early orders is requested.

Yours sincerely,

B. Jagannath

To C.S.Balasundaram Iyer, Esq., B.A.,
Chief Secy. to the Government
of H.H. the Maharaja of Mysore,
Bangalore.

The file has been sent to the Efficiency Audit Branch for opinion.
The proposals received submitted with a draft reply to the Director.
The file will be sent from the E & A.I. after the date of the visit is known & submitted for Chief Secy.
6-1-20.

Geological Section has now 22 posts, and 9 Lascars, and the Mining Section 8 posts

12 What portion of the additional staff of 5 posts and 5 Lascars is for each of the 2 Sections is not clear, nor has the need for a large addition to the present establishment been fully explained —

13 If pending further consideration of the proposals it be held an addition to the menial staff is found necy, a staff of 2 posts and 1 Lascar for the Geological Section, and a similar staff for the Mining and Explosives Section may perhaps be allowed till the end of the current year —

The Secretariat cannot grant the extra staff unless the petitioner will undertake to pay the cost.

File No. 103 of 1918-19

Serial No.

The mining & explosive sections have little training or field work. It is the technical section that has got to do this. Practically every officer is out in the field season for months together on survey and this work & they do require facilities to get this & his facility. If with facilities disposal of the Ch. Secy. can meet the Genl. Secy next and discuss detail informally fix the number actually required. The sch. may be sanctioned temporarily for 6 months i.e. up & period ending 30.6.20 pending orders on the reorganisation question. The source from wh. the additional expenditure is proposed to be met may also be specifically indicated.

Ch. Secy.

Reel
19-1-20

I do not see any objection. In order to satisfy myself about the number of men required I met the Director & had a discussion with him. After a good deal of discussion I had to conclude that 5 additional Lascars as per scheme were really required for efficient mining work

1/11-19

If this extra staff referred to is quite necessary it has to be sanctioned

With reference to your D.O. letter No.C.16883/Geol.109-1R, dated 23rd January 1919, I beg to point out that the proposal submitted to Government in respect of the entertainment of the additional lascars and peons in this Department, is not that they should be entertained out, and in the field service but permanently. We want skeleton lascars and peons and it will not only be most inconvenient and unsuitable to have temporary men for the field service, but our wants would not also be adequately met by such an arrangement. I solicit, therefore, the favourable consideration of Government to the entertainment of the additional lascars and peons on permanent tenure.

With regard to the additional expenditure required for the entertainment of the additional lascars and
